LAS DIEZ MIL HORAS

A new collection of eleven songs that is hard to highlight some is that all good !!!!. The album opens with "**CASI SIN VOZ**" one of those songs that on first listen you're left with a smile on your face, but still with "**ELLOS QUE SABRÁN**" not far behind, "**CORAZÓN DIME SI**" opens with an energetic guitar and has a chorus 100% 60's, "**MI ESTRELLA**" strikes a chorus powerful, and voices kept resting on an impeccable rhythm section, "**MIEDO DE TI, MIEDO DE MI**" or "**TRANQUILO PELIGRO**" are also little gems you can not miss, is almost a "best of ...".

NO-FROSTH have repeated the formula that has given good results with the previous CD "Déjame entrar", recorded in El Sótano with producer Dani Cardona, and mastering in Crossfademastering Enrique Soriano.

On this occasion have had collaborations with Sergio Gimeno (synthesizers), Dani Cardona (percussion) and Robert Fort (bouzouki).

The CD is presented in a luxurious digipack designed by Rafa Borrás with photos by M. Hurtado.

"Casi sin voz", hit single & videoclip

The song chosen as the first single is "**CASI SIN VOZ**" (cut 1) that has a video clip produced by Sergio Gimeno, in which the world is about to be destroyed by aliens while **NO-FROSTH** give a private concert in a terrace.
